IMPORTANT

Dear Church Family -

It was so good to see so many on Easter, especially our guests. Starting the service with a baptism and ending with the Lord's Supper was such a blessing. Please continue to invite people to our church, and help me inform all about our new meeting/rotation schedule listed in this newsletter.

It is hard for me to believe, but as I write this article, it has only been just a little over 2 months serving as your Pastor. What a blessing it has been for Laura and I to be part of this fellowship. Please continue to pray for us and our church.

I want to take the opportunity to give you an update on many things that have been accomplished over the last two months with the help of our leadership.

1. New website & updated weekly: www.wacobc.org
2. Facebook updated weekly.
3. New internet and phone (faster & saving the church \$\$).
4. Conference room established for various church meetings and to be used as a classroom.
5. Front of church painted.
6. Basement cleaned out (phase 1).
7. Fellowship hall basement organized (phase 1).
8. New equipment for Pastor's office and workroom.
9. New projection software for worship services.
10. Bus shed repaired.
11. Basic landscaping.
12. Sound system fine tuning.
13. WMU reinstated.
14. New Church Brochure and Newsletter created.
15. VBS back on schedule.

As time and funds permit, we will be doing the following:

1. Creating a children's church and bible study space in the church basement.
2. Creating bible study meeting rooms for young adults in the church basement.
3. Creating a youth meeting space in the basement of the fellowship hall.
4. Additional work on exterior of church and fellowship hall.
5. Basic signage for entire campus.
6. Library/Prayer room established.

We will continue to be good stewards of God's resources, and we will accomplish things only according to His will and timing.

In His Service,
Pastor Andy
